Subject: REGISTRATION REGARDING CICTN-2023

Dear Author(s),

Greetings from ABES Engineering College Ghaziabad.

Congratulations !!

Your manuscript entitled "**Parking Assistance System using ANPR**" with **paper ID 124** has been **PEER REVIEWED and ACCEPTED** for publication in the CICTN-2023: 1st International Conference on Computational Intelligence, Communication Technology and Networking to be held on 20th – 21st April 2023 at ABES Engineering College Ghaziabad, Uttar Pradesh, India.

All accepted & presented papers of the Conference by duly registered authors, will be submitted to IEEE UP Section for publication.

Few important guidelines regarding paper submission are as follows:

1. Copyright Form

In order to publish paper in the conference proceeding, the authors are required to submit a filled and signed copyright form for each accepted paper during registration.

The copyright form can be downloaded from the given link
[59c22cf8b853e_Copyright form.pdf](https://59c22cf8b853e_copyright_form.pdf) (eptc-ieee.net)

2. Instructions for Camera Ready Paper Submission

While preparing the final camera-ready version of your paper please adhere strictly to the IEEE Formatting Requirements. Comments from reviewers have already been sent to you and need to be incorporated in the camera-ready paper.

The camera-ready version of the paper must be uploaded on the given registration link and mail to cse.research@abes.ac.in as well.

3. Registration

Details for mode of accepting payment and registration fee are given at: <https://rzp.io/l/rhjMftgHN>
For Completing the Registration process, you have to fill complete details in the Registration form via link as follows:

<https://forms.gle/11qVUJFDwEShoeac9>

The Registration and final camera-ready paper are due by 15th March 2023.

You are required to upload the following documents in the registration form for completing the registration process:

1. Scanned copy of E-receipt in PDF (Named as: PaperID_Receipt)
2. Doc file of Camera-Ready Paper (Named as: PaperID_camerar.DOC/DOCX)
3. Copyright Form duly signed in doc/docx (Named as: PaperID_copyr.DOC/ DOCX)

4. Instructions for authors

- Please follow the reviewer comments to update in Final Camera-Ready paper.
- Authors are advised to strictly follow the IEEE paper formatting guidelines.
- Equations need to be numbered.
- Add some future work also so future researchers get some directions.
- Also request authors to add some recent references in the domain.
- Please check the author's details including affiliations and email IDs. Include all author's mail IDs.
- Please do Proofreading of the whole paper, again to remove punctuation/grammatical mistakes, typing mistakes and formatting issues and so on.
- Consider the review comments and also improve the paper accordingly.
- All suggested corrections are required to be addressed in Final Camera-Ready paper.
- If the author has failed in satisfactory correction, paper may not be considered for further processing.

Revision of paper may be required at a later stage as per IEEE's recommendation.

We would like to remind you that one registration includes access to only one participant. Hence if all the authors would like to attend the conference, separate registrations would be required for getting a certificate.

For any further queries regarding registration, please mail at cse.research@abes.ac.in.

Thank you very much & we look forward to seeing you at CICTN-2023.

With Regards,
Registration Team
